

Career and job training scholarship for local adults!

The Newaygo County Individual Training Scholarship is designed to assist adults in career and job training, not degree attainment.

- Awards will not exceed \$2,500 **and** employers must contribute at least 25% of training costs
- Training must be provided by a third party, not by the applicant's employer
- Some examples include:
 - Microsoft course at a community college
 - CAD course
 - CNC machine training
 - Roofing safety course
 - Welding, electrical, or plumbing course
 - CDL training
- Applicants from small to mid-size businesses are strongly encouraged to apply
- We will contact the applicant's employer via phone and/or email
- Available for applicants who reside and work in Newaygo County or a Newaygo County school district

Application process

To apply, contact Robin Cowles at 231.924.5350 or rcowles@facommunityfoundation.org. After creating an account in our scholarship system, applicants will enter the access code **TrainNC715** in the upper right-hand corner.

This scholarship is a competitive process and available funding is limited. The application will remain open until funds are depleted.
